Wallace Hospital Bill: $11,328.35

Alabama Gov. George C. Wallace was billed $11,328.35 for his 53-day stay in Holy Cross Hospital, Silver Spring, following an attempt on his life last May, Maryland Blue Cross said yesterday.

Insurance paid everything but $335 of the bill, the difference between a semiprivate and private room. Wallace paid the $335. Wallace's stay in the $128-a-day intensive care unit was covered in full.

The Blue Cross payment, however, did not include the cost of the room used by Mrs. Wallace, nor doctor and other medical bills.
